

Sunday Morning Christian Education Programs

There will be no Sunday School during the months of July and August, 2010. Sunday School will resume on September 12, 2010.

Children's Time: Midway through Sunday morning worship, children up through Grade 5 are invited to gather in the front of the church for a special message. They are then dismissed to go to Kaleidoscope.

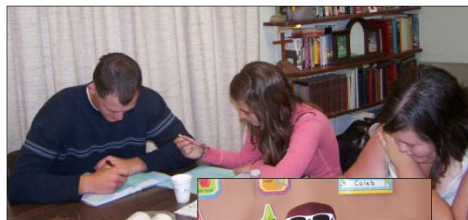

Kaleidoscope: Like its namesake, this is a collection of rotating activities including group singing, crafts and short Bible stories for children. Children in Kindergarten through Grade 5 meet as one group, and children age 4 and below meet as separate group. *(Note: this is not designed to replace Sunday Morning Christian Education.)*
